Danrow

Danrow Racing is an elitist brand specialized in the manufacture of safety clothing for motorcycling and other motor sports. More than 25 years of experience equipping high competition riders are our guarantee. **Javier Melero**, founder of the brand,

decides to launch an expansion plan with his friend **Francisco Martín**, owner of **Racing Boutique**, in order to join forces and reach all users worldwide in the motorcycling and karting sector, with an excellent quality-price ratio. Both decide to create **Danrow RB**.

01. Passion for motor sports.

DANROWRB

Why.

Danrow RB was born with the aim of bringing our line of sportswear to all motor users not only at the national level, but also at the international level.

*We believe in
sports for
everyone.*

01. Passion for motor sports.

DANROW RB

How.

With a contemporary design, manufactured with high-quality materials, through a wide distribution channel and the know-how acquired by Danrow and Racing Boutique.

Corners.

We have created a basic **corner** to start a very ambitious project with a great future projection.

The corner will be an official and authorized point of sale. All the necessary training will be provided by us in a simple and uncomplicated way.

Respect for the pricing policy and territorial exclusivity will be our priority.
